OS SCREEN 4K SCREEN HDR High Dynamic Range Screen

ASPECT RATIO 16:9

ULTRA SHORT THROW PROJECTOR RECOMMENDATION

High flatness fixed frame projection screen PX unmatched any others. Lineup of 4K HDR compliant screen HF102.

- High flatness and easy installation is available by adopting a spring fixed system.
- The spring flexibly responds to changes in the screen material environment due to temperature and humidity.
- Premium flocky is used on the frame surface.
- Easy to carry and assemble on site.
- High flatness screen is ideal for ultra short throw projectors.

[Dimensional drawing]

Flocky processed frame surface

The frame is assembled using only four simple screws.

Hook for hanging spring

Flexible springs are easily installed
