

Fixed frame projection screen

STF

【Material lineup】
WV901

Fixed frame projection screen STF comes with high flatness.

The screen is available in two lineups as diffusive type and sound screen.

- High flatness and easy installation is available by adopting a spring fixed type.
- The spring flexibly responds to changes in the screen material environment due to temperature and humidity.
- Premium flocky is used on the frame surface.
- Easy to carry and assemble on site.
- High flatness screen is ideal for ultra short throw projectors.
- The screen is available in two lineups as diffusive type and sound screen.
